

Dear students,

As we continue to make our way through what has been a very unusual year, the safety of our community remains our highest priority at Georgia State. In keeping with public health and university system guidelines surrounding COVID-19, GSURC 2021 will once again be a virtual event.

This year we are building on the success of GSURC 2020 to create a more dynamic and interactive conference. The conference will take place during the week of April 12th and will include live oral presentations, as well as interactive virtual poster, artistic, music, and film presentations.

Instructions for oral and poster presentations have already been updated on the GSURC website (gsurc.honors.gsu.edu) to reflect the virtual format of the conference. We will continue to update and post details about the conference structure on the GSURC website as they become available.

We look forward to showcasing your creativity and scholarship at GSURC 2021!

Best,

Dr. Amy Reber
